Annual Winter Song Festival

Dec. 6, 2007

6:00 -

7:15 p.m.

This has always been a favorite event for Theuerkauf families and staff. Our children sing a variety of holiday songs and we encourage all of you to sing along with your children.

The biggest challenge of this wonderful event is fitting comfortably in our multipurpose room. Therefore, we need ALL parents to help with this endeavor once again. We ask that you rotate into and out of the multipurpose room. **Please come into the multipurpose room only when your child is singing** then you may wish to go to the Book Faire in our library or wait around outside where our PTA will be selling hot coffee, hot chocolate and cookies. (If anyone has an outdoor heater that we can place between the office and the multipurpose room, we'd appreciate the loan for the evening.) For safety, do not stand in the doorways.

The Mountain View Whisman School District joins with the Santa Clara County Public Health Department and other school districts in launching Healthy Kids, Healthy Schools so that we can reduce the chances of getting sick and help limit the spread of germs. Stop germs from spreading. By doing a few simple things, we can stop the spread of germs:

- Wash your hands often using soap and water.
- Cover your mouth and nose with tissue when coughing and sneezing.
- Throw used tissues into the trash and then wash your hands.
- Cough into your sleeve.

-
- Stay home if you are sick and stay away from others as much as possible.
 - Keep children home if they are sick.
 - Avoid close contact with people who are sick.
 - Spread the word. Tell family and friends about these simple measures.
 - By working together and following these simple guidelines, we can limit the spread of the disease.
